**The Chelsea Lacrosse team finished the season undefeated! With their record being 14-0 the girls feel very good about their accomplishments. For people that didn't know, we are a division 4 school playing in a division 2 bracket and we are the # 1 team in division 2 lacrosse, and we are proud of it! We are really excited and nervous for playing in the ¼ finals that will happen at our home turf in Chelsea on Saturday, because we get a by, meaning that we are automatically in the ¼ finals!! The play downs are the pre-games before the actual playoffs start. The games will be held at the Heath Field. Some good things that happened this season were that all the girls definitely improved over the season and are only getting better. None of the opposing teams scored over 4 points per game and some games were even shut-outs!! We scored 213 goals in total this season. We definitely did not have this great season handed to us; in every game we played, we had to work very hard to accomplish that all that we did.**

### Shop Class Up-Date

In shop Class we have been working steady on our timber frame shed. We pulled the ticket and... drum roll please... the winner is Charlotte Mullen! We have been putting all of our energy into this building, and the day is finally here when we are actually going to put it up. We are just making last minute adjustments and putting in all the effort

we've got to make it look professionally done. We spent this rainy Friday hard at work.

## **Shire Town Drama**

The drama class is putting on a play of Chelsea's History. The play is based on our knowledge that we collected when we did research on our small town. For the past 3 weeks, the English classes has been using their spare time wisely by writing the script of this fantastic play. Every word and sentence is made by your own 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> graders. Please come watch the exciting history lesson of our own Shire Town at 9:00 AM and 7:00 PM this Monday, June 9th in the Town Hall. Hopefully we will see you there!
