## A Great Place For Students to Learn

May 8, 2008

### Secure the Building Drill

On Monday May 12<sup>th</sup> we will be conducting a secure the building drill. All this entails is making sure all the exits are locked, students are in a safe place in their classrooms and possibly moved to a different part of the building as a safety precaution. All teachers are aware that this is happening and are prepared for the drill. We are working with the Orange County Sheriffs Department during this drill as their role is to check all rooms and transport classes that need to be moved.

### Chelsea Day's Work

On Monday students from our Middle and High School participated in Chelsea Day's Work. I would like to thank the individuals and businesses in the community and surrounding communities for their continued support of this day. At last count we have earned over \$1,500 which surpasses what the kids raised last year. This was a very nice event and I would like to thank Miss Copp and Mr. Kelman for advising the students during the planning portion of this event.

### Spring Concert/Art Show

The Chelsea School Spring Concert and Art Show is next week on Wednesday May 14<sup>th</sup>. The Elementary performance will begin at 6:15pm and the Middle and High School performance will begin at 7:15pm. The art room will be open during and after these performance so please stop by to view your child's art work.

### Summer Camps

Summer is quickly approaching and this is the time to start thinking about camps for your children. Please contact Mindy Farnham or Erica Pearson in our guidance department to discuss what camps may be available in our area. If you need help finding a camp, filling out the appropriate paperwork or just getting a contact number please let us know and we will do our best to help you with these issues.

### Cup Stackers

Once again I would like to congratulate to the Chelsea Cup Stacking Club for their success in a recent tournament in Rome, NY. The team from Chelsea, who is coached by Abby Haywood, participated in a national competition and was once again quite successful. We are still awaiting official result but it is possible that one of our members set a world record during this competition. All of the members from Chelsea were successful and I am happy to say that all Vermont state records are now held by Chelsea students.

### Teacher Appreciation Week

This week is teacher appreciation week and I would like to thank the FOC for their efforts to celebrate our faculty and staff. Each day the FOC has provided tasty snacks and little gifts for the faculty and staff which has been very nice. Thank you for your continuous support of our school community and of our teachers individually. I would also like to take the time to personally and publicly thank our teachers and staff for a very successful year and wish everyone the very best in the future.
